Metal Detector Station and LPO's do not have an incentive rate or separate holiday rate.

**Separate shows and events that are contracted for the same dates at the same ACCD facility will not be allowed to share or split costs. This includes both move-in and move-out staffing costs. Charges are based on the services directly provided to each event without consideration of event staffing for other facility events. This model provides a standard application of staffing for all ACCD facilities and greater client/customer service and accountability for staff paid for by each individual show or event.
